

Sickle Cell Disease takes a lot from warrior families. The ability to go to college should not be one of them.

MTS Sickle Cell Foundation's Warrior On The Rise Scholarship Program gives Sickle Cell Disease patients and their family members the opportunity to continue their education and pursue their college dreams.

Ten \$1,000 academic scholarships will be awarded for the upcoming academic year.

Warrior On The Rise

SCHOLARSHIP PROGRAM

Sickle Cell Disease patients and their siblings or children may apply if they are:

- Age 16 or older
- A high school senior, high school graduate, or current postsecondary student
- Enrolled in fulltime postsecondary study at an accredited two-year or four-year college, university, or vocational-technical school for the entire academic year
- Have a minimum grade point average of 2.5 on a 4.0 scale (or the equivalent)

A written personal statement describing the impact Sickle Cell Disease has had on the applicant's life and a medical verification form from the applicant's (or his or her sibling or child's) hematologist is also required.

MTS Sickle Cell Foundation, Inc. is a national non-profit organization dedicated to raising awareness, support, and sensitivity surrounding Sickle Cell Disease.

We believe that extending support to Warriors, their siblings, and their children who are working towards achieving a postsecondary education is a natural step to support the fight against Sickle Cell Disease.
